1. Frequency of offering.
2. Minor editorial changes in title and/or course description.

Catalog deadlines apply. Send Minor Change requests directly to the Registrar's Office after Dean's approval. (Please send informational e-copy to the UAF Governance Office.)

JUSTIFICATION FOR ACTION REQUESTED

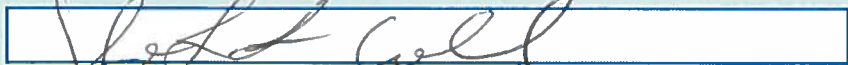

The purpose of the department and campus-wide curriculum committees is to scrutinize course change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a prerequisite, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the course is not compromised as a result.

ANS/ED F420 stacked with ED 606 was originally an ED course. In 2013 we requested that the ANS catalog description be changed to summer-only because the one instructor we had who was qualified to teach this course was only available at that time. That instructor has since retired and we have no faculty who could teach this course. It is not a part of either our proposed core or our new concentration areas and we would like to remove it from the ANS catalog descriptions.

This course is an ED course and really should be taught by the ED Department who do

offer it regularly. Given the distance nature of the ANS program and the requirement of the course for field experience it is not really appropriate for us to try to offer it. The ANS program is not "teaching teachers" and we do not hire faculty with that goal in mind.
