Hi Jenny,

Yes, it's fine to make the change to "as demand warrants." Thanks for checking in with us.

Hi Carol, we would like to make a minor course change to ANS/ED 461 Native Ways of Knowing, changing the frequency of offering from "spring" to "as demand warrants." Alaska Native Studies is making changes to the degree program and the course will not be included in any of the requirements. Is Education ok with this change? We just need an e-mail stating so if you have no objections. I have attached the format 2A for your review. Thanks, Jennie
