Akasofu Building room 501

Dear IARC and CIS faculty, staff,
students, and affiliates,

Please feel free to join us at the third
"A Place for Knowledge Exchange"
brunch between IARC and CIS. This
semester the brunch is being hosted
here in the Akasofu building, room
501, April 18th, from 10am to 12pm.

Drop in whenever you can make it,
we're trying to keep things casual and
informal, to help strengthen
collaboration between CIS and IARC.
At this third brunch we will have a few
activities centered around building
collaboration between our
institutions.
