Welcome to the start of a new semester!

We have cleared winter solstice and daylight is on the upswing. It is now time to set intention and goals for the new year. Thank you for choosing to invest in building knowledge and skills that will help you advance on a pathway of personal and professional growth. This wise decision helps to meet family, community, and state needs in challenging times. The College of Rural and Community Development is pleased to welcome you as we embark on another semester of learning.

At CRCD, we offer a personable, supportive and high quality educational experience. This semester's schedule presents the courses available to you by the following: Audio Conference, Web, Blackboard, Blackboard Collaborate, Video Conferencing, and often a combination of those listed.

I would like to thank all of our partner organizations and the State of Alaska for ongoing support of post-secondary education and workforce development. It is through partnership that we are able to offer quality educational programs and student support in communities throughout Alaska.

I also want to wish all of our students a successful semester of training and studies!
