Safety at UAF

LOSS PREVENTION

The Loss Prevention Program helps increase awareness of safety and provides a mechanism for campuses to invest in projects to reduce injuries and losses. The following areas may be eligible.

Workers' compensation: Loss Prevention Funds might cover a lifting device or training.

University property: Loss prevention may cover surveillance cameras or lock-down devices.

Automobile liability: Funding may be available for training or backup cameras.

Employment Practices Liability: Funds could cover discrimination awareness training for supervisors.

General liability: A loss-prevention project might help reduce injuries from slipping.

Visit the website for a complete list of what's covered.
