Mary Shields, well-known musher from Fairbanks, is here to help. If you are a young person, **age 8 or older**, Mary would LOVE to receive a letter from you! She wants to know what dog mushing-related things you’ve been wondering about.

If you send your question to Mary, she’ll **visit some** of her local musher friends in their dog yards and ask them for an answer. Her visits will be video recorded and shared with you. **Cool, huh?**

**HOW TO PARTICIPATE:**
You can either write a letter and mail it to:
