FOR THE WHOLE FAMILY!

This is a short, [free video series](#) being put out by UAF Veterinary Medicine lab manager (and reindeer farmer!), George Aguiar. Take a virtual walk with George as he does a reindeer forage, teaches you about the diet of our 4-legged local friends, and learn some of the in's and out's of handling the herd as a Reindeer farmer!

Email summer@alaska.edu with subject line "Reindeer" and we will invite you to a free Zoom Q&A (time above) with George to answer your questions about the reindeer and life with them!
