

SIDE #1 - ALICE AND VIVIAN

Vivian sits down across from her with her coffee.

VIVIAN

I dont think you have to worry so much about your performance. Its just one assignment.

ALICE

I 'ts important to me.

VIVIAN

But you did fine. Are you worried about the final?

ALICE

Everyones worried about the final.

VIVIAN

It isnt that big of a deal.

Alice keeps herself from saying anything. She looks down at her coffee.

VIVIAN

What?

ALICE

Nothing.

Vivian stares at her, frustrated.

VIVIAN

What is it?

ALICE

Its just... thats easy for you to say, what do you have to worry about?

VIVIAN

ALICE

VIVIAN

Alice looks up at her doubtfully. They sit in silence for a moment until Vivian breaks it.

VIVIAN

ALICE
