

SIDE #2 - SUPPORTING ROLES

Alice listens quietly until HENRY, standing to the other side of her, tries to start a conversation.

ALICE

What?

HENRY

How have classes been?

ALICE

Oh, good. Lots of work.

HENRY

Yeah, nice.

There is a long pause.

HENRY

What are you taking?

ALICE

What?

HENRY

What classes are you taking?

ALICE

Oh, um, choir and stuff. For my major.

HENRY

Choir? You sing?

ALICE

Yeah.

HENRY

Hah, you should sing right now.

Alice laughs off the comment and looks away. Henry stares at her expectantly.

ALICE

Oh, no thank you.
