

ALICE AND VIVIAN - UPDATED

VIVIAN

Don't worry about what Professor Morgan said, he always gets like that when no one actually needs any feedback.

ALICE

I'm not worried, it was good advice.

VIVIAN

I guess. Are you busy later?

ALICE

I have a practice room from three to four.

VIVIAN

Oh. Why?

ALICE

Why?

VIVIAN

You don't need to practice.

ALICE

Clearly I do.

VIVIAN

Stressing yourself out isn't what you should be doing. Didn't you hear him? Loosen up.

ALICE

Why aren't you ever stressed out?

VIVIAN

I just let it happen. There is no thought, it's more of a feeling. Have you ever let your music find itself on its own? Just feel it out?

ALICE

If it didn't come to you so naturally you wouldn't feel the same way. Has anyone ever disliked hearing you sing?

VIVIAN

There's a party next weekend, I think we should go, it would be good for you.

ALICE

Alright.
