

## SECONDARY CHARACTERS - UPDATED

PROFESSOR MORGAN

Alright, I can let you try again but it's not going to fix your issue here. Use your diaphragm to push the sound out. I need to hear more of that. And your whole body's stiff, you just look uncomfortable. Relax. Are you happy to be here? I want to see that on your face, in your voice. Think about what you're doing here, Alice. It's not going to sound right until you answer that question.
