

# Toolik Operations 2014-15

# Season Highlights

- Another good year at TFS (Business as usual)
- Extended road closure north of Toolik required some operational restrictions late winter and early spring
- Construction of a new garage was completed last summer
- Dalton Highway improvement project around TFS was finally completed!
- Toolik Health Club addition was completed (with new propane heater)

# Dalton Highway Flooding

2015/5/18

# One New Garage, Many Benefits

- Garage will alleviate need to heat Shop Trailer, Dry Lab and Loader Tent
- Warm storage is now in garage mezzanine making room in Winter Lab for science
- Most of the required heat for garage supplied by waste heat from the generators
- Increases amount of maintenance projects that can be done in winter
