

A red helicopter is flying in the upper center of the frame against a backdrop of a cloudy sky. Below the helicopter, a flat, green landscape stretches to the horizon. In the foreground, there are various pieces of equipment and structures, including a small building on the right and some materials on the left.

Toolik helicopter and user day outlook 2017

Toolik helicopter vendor

- Last year of the 3 year contract with Pollux
- Pending approvals etc, expect to have Pollux as the vendor

CPS funded Toolik user days for 2017

- Just short of 6,500 in our program plan for 2017
- 2013: 6,470 (6,781 after mods)
- 2014: 5,238
- 2015: 6,501
- 2016: 4,983
- 2017: ~6,500
