

TOOLIK FIELD STATION

2023 DIVERSITY & INCLUSION

HALEY DUNLEAVY

INITIATIVES FOR 2023

- Expand climate survey to quantitative measure
 - Expand to include Likert scale survey questions
- Surveying and tracking demographics
 - Meeting with community in spring to gauge interest, concerns, important categories to track
- Need to continue building trust in the reporting process

INITIATIVES FOR 2023

- Building inclusive infrastructure
 - Continue genderqueer sauna hours?
 - Community gear closet – SC grad reps Ruby An & Brandon Yokeley received \$1000 microgrant from PSECCO to buy new communal gear!
 - Converting old EMT shack to reservable private space for mental health, religious/meditation practices, nursing/pumping, etc. Thanks MEF!

INITIATIVES FOR 2023

- Intersection of DEI & communication/outreach
 - Life at Toolik videos in collab with Arctic LTER DEI committee
 - New Battelle Education award to host Upward Bound HS students with Oregon TRIO & Juneau Icefield Research Program
