Hi Jayne,

The Elementary Program in the School of Education requests that Format 2A ED F412"W" catalog change (dropping the 'W' designator) be retracted from the catalog. We will resubmit the catalog change for the 16-17 catalog year, if it is still appropriate.

In addition, I have amended our Format 5 BA Elementary Education program changes section to reflect that ED F412 retains the "W" designator. I have been corresponding the Jax Maiar on cleaning up some editorial changes to this section, and have left her a voice mail that we are retracting the ED F412 paperwork, and will submit a corrected copy with all the changes she's requested.

If you have any questions, or anything else I need to do, please let me know. I appreciate all your help and advice on this matter!
