Approximately half of annual graduates are located in Fairbanks (Class of 2015=33); we anticipate approximately 1/3 of these to take JUST F490 (New face-to-face course: Capstone Seminar in Criminal Justice—application included in this package) and 1/3 to take JUST F475 (existing internship). Because the course will be offered as part of the Justice Department's normal instructional load it will not require more facilities/space than ordinarily required for the delivery of the Justice curriculum.

19. LIBRARY COLLECTIONS

Have you contacted the library collection development officer (kljensen@alaska.edu, 474-6695) with regard to the adequacy of library/media collections, equipment, and services available for the proposed course? If so, give date of contact and resolution. If not, explain why not.

20. IMPACTS ON PROGRAMS/DEPTS

What programs/departments will be affected by this proposed action?
Include information on the Programs/Departments contacted (e.g., email, memo)

The course does not directly impact other departments or disciplines.

21. POSITIVE AND NEGATIVE IMPACTS

Please specify **positive and negative** impacts on other courses, programs and departments resulting from the proposed action.

The Justice Department does not perceive this course as negatively impacting any departments or programs. The impetus for the change is to bring the department in line with the recommendations of the Curriculum Affairs Committee.

JUSTIFICATION FOR ACTION REQUESTED

The purpose of the department and campuswide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

The Justice Department is preparing curriculum changes to its undergraduate curriculum to better comply with the following criteria adopted by the Curriculum Affairs Committee: The capstone will:

- Require that students demonstrate the appropriate skill levels in communication and (as appropriate) quantification.
- Integrate learning from major requirements.
- Guide students through a project or experience relevant to their educational goals.
- Provide a basis for evaluating student performance
- Be suitable as a potential means for assessing the major requirements

The Justice Department must balance the needs of distance students with those of the face-to-face student. By adopting three ways to satisfy the capstone experience, we believe that we satisfy the above goals.
