**II. OLD BUSINESS**

**1. MOTION (submitted by Core Review committee)**

The UAF Core Review & Curricular Affairs Committees moves that transfer students from California be considered to have met UAF's general education requirements if a California Community College certifies a student has completed the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education Breadth Requirements. Students will provide official documentation that these requirements have been met. **Approved, but see if can't be incorporated into current changes...**

**2. Motion: (submitted by Core Review committee) ...[this would potentially be passed by the faculty senate, but not appear in the catalog]**

To allow UAF colleges and schools to use the board of regents policy on general education (R10.04.040), in place of UAF's core requirements, to create transfer (articulation) agreements for hybrid AAS/AA degrees with community colleges in states other than Alaska. The core review committee, faculty senate president, and the provost must approve these agreements for them to become effective.

**Unanimously approved**
