      2. Other (awaiting information from department)
    - ii. List of courses for each classification (attached)
4. New Business
  - a. Meeting duration

Questions submitted by Mr. Carrick

1. Why is the student member of the grades appeal committee appointed by the dean, and why is the student nonvoting?
2. Why is the appealing student not allowed an advocate when he or she has the second meeting with the dean and professor?
3. Why is the review committee's decision final? Does this mean there's no way to appeal the committee's decision at all?
