

Draft Motion Curricular Affairs Committee 09-19-26

**MOTION:** The UAF Faculty Senate moves to revise the catalog statement on good standing as indicated below:

Good Standing

Undergraduate students — You are in good standing if your cumulative GPA ~~and most recent semester GPA are~~ is 2.0 or better.

EFFECTIVE:            Fall 2016

RATIONALE:

The statements on academic probation and disqualification were revised by the Faculty Senate on 12/07/15, but the good standing policy was not revised accordingly. Under the new academic probation standard students with a semester GPA below 2.0 but a cumulative GPA above 2.0 in a gray area; they would not be on probation but they would not be in good standing, either. This revision brings the two policies into alignment.
