

The following motion passed at Faculty Senate meeting #232 on May 7, 2018

**MOTION:**

The UAF Faculty Senate moves to amend the Faculty Senate Bylaws regarding the Information Technology Committee.

**Effective:** Immediately

**Rationale:** This motion is to revise the membership rules for the Information Technology Committee in an effort to enhance participation from stakeholders who are heavier users of educational technology. The change will add membership flexibility so that when planned technology changes or issues arise, membership can adapt to include affected users.

UAF Faculty Senate Bylaws, Sect. 3 (ART V: Committees), Subsection H. PERMANENT

9. The Information Technology Committee will address information technology issues and needs affecting aspects of work faculty engage in. They will also be the recognized committee to work with requests submitted for consideration by the Office of Information Technology (OIT).

To help ensure that perspectives from across UAF are represented, membership will consist of at least five representatives, with [[not more than one]] **up to three members** from each of the schools, colleges, institutes or libraries. Members who are not Faculty Senators may be appointed to one-year terms. Representatives from OIT and eLearning shall be ex-officio members of the committee. The committee chair must be a senator or an alternate.
