

The UAF Faculty Senate passed the following at Meeting #172 on February 7, 2011:

MOTION:

The UAF Faculty Senate moves to amend Section 3 (Article V: Committees, Permanent) of the Faculty Senate Bylaws by adding the Research Advisory Committee.

EFFECTIVE: Immediately.

RATIONALE: UAF is a nationally ranked research university, and its faculty should have a voice in setting research policy and a vehicle to guide administrators in the needs of the research enterprise. The committee will serve as a conduit of communication both for faculty at large to address issues and needs as well as a sounding board for administration to get a response from faculty on research matters. The committee can also work with and advise other senate committees with regard to research.
