**BALLOT
VICE PRESIDENT**

X Margo Griffith

President, UAF Staff Council 6/18/10 / Date

Margo Griffith, IAB Human Resource Coordinator

Hello, my name is Margo Griffith.

I have been at UAF for 8 years in unique positions in both academic and research units, which has afforded me experience in areas of fiscal, travel, purchasing, proposals and specialization in HR.

With UA being in transition in many areas, many being HR related, I believe that having a VP with extensive and upper level HR experience from a departmental setting, as well as a strong background in the fiscal, travel and purchasing world would make a strong VP candidate, able to provide valuable input and representation to staff council, as well as at staff alliance activities.
