

The UAF Staff Council passed the following at meeting 214 on February 23, 2011:

Attachment 214/1

Motion:

The Staff Council asserts that:

WHEREAS governance supports OIT representation in UAF and Statewide governance groups regardless of location or funding source; and

WHEREAS this is the current standard vetted and agreed upon in 2009 by OIT management and UAF and Statewide governance groups; and

WHEREAS the Office of Information Technology shares responsibility and services to both Statewide and UAF; and

FURTHERMORE, it is appropriate to have employees be represented in governance groups and be recognized for their years of service in accordance with recognition practices at each MAU.

THEREFORE BE IT RESOLVED that the Staff Council supports the OIT letter of request for dual participation in both governance membership and longevity recognition.
