Smoking Survey

- Reviewed questions and motion to move forward, suggested putting both surveys in one email for better response.
- Launched Friday.

Coffee or lunch with the Chancellor (working together with University Advocacy Committee)

- Chancellor agreed in pre- staff to have coffee with 10-12 employees.
- Staff affairs would address a question and launch it on the blog to get volunteers.
- Question chosen was: If you could ask the Chancellor a question, what would it be?
- If more than 10 responses were received we would do a lottery for the names.
